GET THE EDGE SMART KEYPAD APP

POWERFULLY SIMPLE APP

All programming and management can be done quickly and securely via the app.

SBI FLEX 64-BIT PROTOCOL

Our proprietary Wiegand protocol allows for 4- to 11-digit keypad codes with 3-digit facility code for maximum flexibility.

DUAL 365-DAY TIMERS

A separate 365-day timer on each relay gives you the versatility and control you need.

CONFIGURABLE USER PERMISSIONS

Set specific user permissions on all keypad codes, transmitters, card readers, and long-range tag readers independently.
