GOES WHERE YOU GO

No wires mean freedom—this system can be located and mounted anywhere you need it.

FITS YOUR NEEDS

Whether it's a simple installation or a multiple-keypad/multiple-remote setup, your configuration options are limitless.

SOLAR FRIENDLY

An ultra-low current draw means it plays well with your solar gate operator.

GO WIRELESS

Ridge Wireless™ technology allows two-way wireless connection, making your system more versatile and more responsive.
