NO-NONSENSE OPERATION

If you're looking for a keypad that is easy to program and easy to use, look no further!

THE SMART SOLUTION

This keypad has all the features you want and then some but still comes in at a price that will fit most budgets.

STURDY & DURABLE

Crafted exclusively from stainless and powder-coated steel, this box is built to last!

PROGRAMMING YOU KNOW

Quick, simple, and familiar, the programming steps on the keypad are identical to those on all Security Brands, Inc. keypads.
