NO-NONSENSE OPERATION

If you're looking for a keypad that is easy to program and easy to use, look no further!

TAILORED TO YOU

Do you need an intercom or a cutout for a Knox lock? This keypad has everything you need and much more.

STURDY & DURABLE

Crafted exclusively from stainless and powder-coated steel, this box is built to last!

PROGRAMMING YOU KNOW

Quick, simple, and familiar, the programming steps on the keypad are identical to those on all Security Brands, Inc. keypads.
